THE man or set of men who advocate the destruction of property, the blowing up of bridges and the wrecking of trains to carry their end, are Anarchists, and no mercy should be shown them when they are caught. If a man incites others to that sort of work, he should be promptly arrested and tried for treason to the state and to society.

HAVEMEYER is a good witness. When asked if the Sugar Trust had put up money to promote friendly legislation for sugar he replied: "Certainly." He admitted having been invited to the residence of BRICE to meet other Senators and talk "sugar" to them. He wanted an ad valorem tax put on sugar, and it was put on. He wanted a tax on refined sugar, and it was given him. He denied giving the Senators sugar, but the people understand how this is. The Senators bought no stocks, but their sisters, and their cousins, and aunts got the wink and did. The fifty-third Congress is the most corrupt deliberative body this or any other country has seen in the last hundred years.

THE HARD TIMES

Drive a Workman to Suicide at Harrodsburg.

Good Times—
For the Undertaker!
And, by the way, Tariff or no Tariff, his business goes on just the same.
At Harrodsburg Samuel T. Young, 60 years old, took twenty grains of morphine with suicidal intent.
He was a native of Washington county, but for the last ten years has been living in Mercer county.
Last January he removed his family to Harrodsburg and ever since has been trying to get work.
He is a good carpenter, is honest, industrious and sober, and, being married a second time, with a young family to support, he became despondent, and made the attempt on his life.
A doctor who was called in used the new remedy permanganate of potash, with success, but had to bring in the galvanic battery and stomach pump.
After being relieved of the poison the unfortunate man refused to take any medicine or nourishment of any kind, and says he does not desire to live.
Times, he says, are too hard for him, and it will be best for him to go.
There are no hopes for the man.
The Maysville and Blue Run Turnpike Company's charter has been forfeited and the pike will be kept up hereafter as a public road.
S. N. Meyer's two residences on East Third street will be occupied, one by Commonwealth's Attorney Sallee and sister and the other by C. L. Sallee and family.

SUGAR IN THEIR N

A Democratic Tariff For the Sugar Trust Only.

New York Sun, (Democratic).
The deliberate, defiant, unparalleled sacrifice of \$30,000,000 of public revenue for the exclusive benefit of a private interest will always stand as the most conspicuous detail of the gigantic scandal which is now making history for the Cleveland Administration.

Every Democrat between Eastport and San Diego should clearly understand and remember tenaciously what the next transaction signifies.

A bill purporting to be a bill to raise revenue to pay the expenses of the Government has been changed by scarcely more than a dozen penstrokes in such a manner that not less than \$30,000,000 is taken out of the pockets of consumers of sugar and put into the pockets of holders of sugar certificates, instead of into the Government's own strong box.

To that extent the Cleveland Tariff Bill is a Tariff for revenue for the Sugar Trust only.

The consumer gains nothing; the Trust gains a lump sum.

Fifty cents is a small doctor bill, but that is all it will cost you to cure any ordinary case of rheumatism if you use Chamberlain's Pain Balm. Try it and you will be surprised at the prompt relief it affords. The first application will quiet the pain. Fifty cent bottles for sale by Theo. C. Power, Druggist.

The Monk!

By MATTHEW G. LEWIS, (MONK LEWIS.)

Mr. Lewis was a member of the British Parliament, and his book became so popular in England a hundred years ago that it gained for him the title of "Monk Lewis."

It is a fine piece of classic composition, and after being out of print for many years it has been republished from the original text.

It is far superior to "Maria Monk" and books of that character.
